

# Remedies: A Wish List

CONSIDER:

What must the Court do to secure new rights for people and youth – in the interest of an ordered society?

**1. WHAT** activities could provide relief from harm – like a science-based climate recovery plan.

Write 2 or 3 activities on separate index cards.

**2. HOW** the Court could make the President and Congress take the required actions – like by creating policies to carry out the plan.

Write 2 or 3 ideas on separate index cards using this format:

We want \_\_\_\_\_ (who) \_\_\_\_\_ to \_\_\_\_\_ (do what) \_\_\_\_\_ by \_\_\_\_\_ (when) \_\_\_\_\_.

**3. WHO** should manage the remedy – the Court or the President and Congress. Why?
