

Rights & Powers

1. Describe the meaning of an “internal threat” to democracy and give two examples.
2. Has judicial review changed the intended powers and limits of the Supreme Court over time? Give an example of a body of law created by this process.
3. How did the concept of “person” change after passage of the 14th Amendment?
4. Did the Civil War Amendments achieve their intended purposes? Explain.
5. How are different rights recognized for different persons? Infringed for natural persons?
6. What is your “take-away” from this lesson?
